	Total.	120

8 Properties acquired under the Provisions of the Land Acquisition Act -

The No of properties acquired during the year 1944-45 was 97

The figures for the last five years have been noted below:-

Year	No	Amount.	Remarks.
1944-45	97	Rs 2,45,380	(excluding Survey Nos)
1943-44	79	1,80,478	
1942-43	57	1,03,165	
1941-42	100	83,647	
1940-41	69	79,744	
1939-40	78	85,997	

A number of awards passed could not be paid before the close of the year as the funds provided were almost completely worked out Re: balance No of unpaid awards at end of 1944-45 was 99 against 76 at end of 1943-44 It can be seen from the above statement that the amount awarded is the highest figure reached during the past 6 years.

9. Acquisition of agricultural land by the Revenue Department

The number of schemes pending with the Revenue Sub Division Officer at the beginning of the year was 7 A sum of Rs.67,814/- was sent to him towards old and new cases during the year Two cases have been disposed off by the Sub Division Officer The balance number of pending cases at

ave-

of the year was 7 as noted below:-

(a) Acquisition of S Nos 133,121/1 and 122 of Karagowdanahalli village for forming a new loop road to Lannigantap

(b) -do- -do- No 55,56,57 etc , of Mysore Kasaba for improvement purposes

(c) -do- -do- No 166,170 and 171 of Karagowdanahalli village for forming sites to dishoused medars

(d) -do- -do- No 7,9,10,11,12 & 13 of Yaduvar halli village for extention of Kalidasa and Gokulam Roads

(e) -do- -do- Karagowdanahalli, Yaduvarahalli and Vijayasripura and Hinkal village for Yaduvirahalli, & Yadavagiri extensions

(f) -do- -do- No 168,169,170,191 etc , of Mysore Kasaba for extending Municipal Sewage Farm

(g) -do- -do- No 85/1,85/2, etc , of Kyathanahalli and Arangere village for Hides and Godowns

10 Acquisition by mutual agreement:

There was no case of acquisition by mutual agreement during the year

11 Payment on account of properties acquired:-

The payment made by the Trust Board on account of properties acquired was Rs 2,38,217-3-3 including a sum of Rs 67,814-3-3 paid to the Revenue Sub Division Officer, for acquisition of survey lands Besides this a sum of Rs 74,977 was paid out of deposit contribution

12 Out of 97 properties acquired, 9 was vacant lands and the rest were houses and other structures The important schemes of acquisitions which were attended to during the year were as detailed below:-

(a) Acquisition of properties for the extension of K R Hospital compound and formationof road

The only property belonging to Mr G Veeshadri Iyer which was estimated at 28,000/- was acquired at a cost of Rs 28,066/- and the building also was handed over to P W D

(b) Acquisition of properties for the formation of a Circle in front of Hotilal Polkies.

As the Government Order sanctioning the acquisition was received in the latter part of the year, only a sum of Rs 10,310/- was spent during the year The other properties will be acquired during 1945-46 against a provision of Rs 25,000/- in the budget

(c) Acquisition of survey lands for the formation of Yadava

Yadavagiri and Paduvarahalli Extensions:

The lands to the extent of 197 acres and 9 1/4 guntas was taken possession of and a sum of Rs.49,879-11-0 was paid towards the acquisition charges, excluding the conversion fine demanded by the Revenue Department about which final orders of Government are still awaited. The sites have been formed at a heavy cost and good realizations have also resulted from the sale of sites. The details regarding formation of extensions have been separately dealt with

(d) The acquisition of all the properties sanctioned in Kamegowdanakoppal is since completed.

(e) Besides the above, a sum of Rs 73,731/- has been spent for acquisitions of miscellaneous nature as detailed below:-

(1)	Properties acquired for the:- Ayurvedic College	Rs 21,121
(2)	St Philomena's High School	7,136
(3)	Adam Khan's Losque Road and Ayurvedic College	5,740
(4)	Slum clearance and other jung general improvements	39,734

13 References to the Court under Land Acquisition Act:-

The following cases were referred to the Court under Section 30 of the Land Acquisition Act:-

(1) Property No 2751 in Block No 35, Lashkar Mohalla, Mysore (vide A5/44-45)
(2) -do- No 137 in Block No 72, Fort Mohalla, Mysore, (A-6/44-45)
(3) -do- No 126 in Block No 28, Lashkar Mohalla (A7/44-45)
(4) -do- No 128 in Block No 28 -do- (A 8/44-45)
(5) -do- No 1313 " 4 in Mandu Mohalla (A19/44-
(6) -do- No.496,497 & 501 in Bl No 6 of Lashka Mohalla. (A-25/44-45)

14 The following fresh cases have been referred to the Court under Section 18 of the Land Acquisition Act:-

(a) Property No 2182 in Bl No 49 Devaraj Mohalla (A-4/44-45)
(b) -do- 496,497 & 501 in Bl 6, Lashkar " (A-25/44-45
(c) -do- 498,499 & 500 do (A-26/44-45
(d) -do- 493,494 & 495 do do. (A-27/44-45)
(e) -do- 1404,1405,1406 & 1407) do do. (A-47/44-45
(f) -do- 1294/4 in Devaraj Mohalla (A-53/44-45)
(g) -do- 1789 in Bl No 7 of Mandi Mohalla (A-70/44-

Including the 12 cases pending at end of 1943-44, the total number of cases pending in the Court at end of 1944-45 was 18 since one of the cases relating to Cauvery Rice Mill was disposed of during 1944-45 by the District Judge

CHAPTER III
CONSTRUCTION WORKS

15 Executive Control:

Mr B R Manickam, B A , Assistant Engineer, was in charge of the construction works of the Board up to 1-1-1945 and Mr H Sundaravaradachar, B A , Assistant Engineer succeeded him and continued to hold charge till end of the Official Year

16 Works attended and Expenditure incurred:-

One hundred and thirty nine works as detailed in statement No IV were in progress and the amount spent during the year was Rs 1,64,198/- against the sanctioned grant of Rs,1,40,0 under construction of drainage and other works

17 Out of the 139 works, 78 were incomplete works of the previous years and the rest were fresh ones taken up during 1944-45, as shown in the statement appended below:-

Particulars of works	Works		Expenditure		
	New	Old	New	Old	Total
1 Sewage & drainage works	19	30	8702	29,848	38,550
2 Roads and streets	12	15	10,449	9,106	19,555
3 Public attractions	4	5	8,726	1,088	9,814
4 Special works.	9	9	68,258	11,801	80,059
5 Miscellaneous works	17	19	7,963	8,257	16,220
Total	61	78	1,04,098	60,100	1,64,198

18 House connections:-

The work of laying underground sewer lines and house connections in flush latrines was continued during the year as before Only 77 underground sewage house connections were given during the year as against 164 during the previous year The reduction in the number of house connections w

was mainly due to the difficulty experienced in obtaining cement and other materials. The Municipality had promised to pay contributions in respect of certain underground d ainage works taken up by the Board This policy was not continued by them on account of their financial conditions They have intimated their inability to the contributions The Board has therefore to meet the cost of those works in full Several underground drainage works for the areas which had not been hitherto sewered, such as (1) Block No IV (a) Vanivilaspuram (2) Ediga Extension, Srenivere and Block Nos 9 & 12 of Chamundipuram have been sanctioned by the Board

19 Underground Drainage Works for the entire City -

Although the underground drainage work has been in progress since the commencement of the Board, only half the area of the City has been sewered so far Major portions of Mandi and Lashkar Mohallas and several of the New Extensions remain unsewered A rough scheme costing Rs.6,00,000/- has been prepared for providing underground drainage to all the unsewered areas of the City The establishment xxxxxxx required for preparing the detailed project has already been sanctioned and they have joined duty only during October 1945 Detailed working estimates are now to be prepared and submitted for sanction

20 Schemes relating to construction works:-

One hundred and fifty one estimates as detailed in statement No II were passed by the Board during the year and out of them 93 were sanctioned by Government and the remaining ones were pending sanction at end of the year

21 Productive works:

(1) An estimate for Rs 25,000/- for construction of 12 model houses with terraced roofing, along the Ramanuja Road was sanctioned by the Government in their Order No L 7.1-4/41 48-42-59 dated 16-7-1943 The work is almost completed

completed except for lighting and water connections.

The three contractors who were entrusted with the work of construction of these houses began to complain that the market rates for materials had gone up very high and that they were incurring heavy losses. The question of paying them enhanced rates were approved by the Board and the Government in their Order No L.7726-8/M1 39-44-39 dated 22-2-1945

The estimate will be revised accordingly and sanction obtained early The cost of these buildings will be met out of Narasimharaja Building Fund.

(2) The construction of 26 model houses at a cost of Rs.17,500/- for the use of the sweepers of the Municipality to the north of the Beef Market in Jalapuri Extension out of Narasimharaja Building Fund was approved by the Board and sanctioned by Government in G O No L 2648-51/M1 39-43-92 dated 20-10-1944 The houses are of an improved design and provide terraced roofing The lay-out provides for a park, play-ground and a Temple. The work is in progress.

CHAPTER IV

22 The properties that were acquired during the year were notified in the Trust Board Register maintained for the purpose

23. Building sites:

Statement No VI furnishes details of sites available for sale at the beginning of the year under report, sites formed during the year, sites sold and those available for sale at end of the year.

It will be seen therefrom that 820 sites were available at the beginning of the year and 129 sites were formed during the year, thus making a total of 949 Further 4 sites were resumed during the year, and thus net total number of sites available for sale was 953 Out of these 215 sites were sold leaving a balance of 738 at end of the year.

The localities in which these fresh sites were formed are as follows:-

1.	New Madiga Extension.	33
2.	Lashkar Mohalla	1
3	Vanivilasapuram & Yadavagiri Extensions	80
4.	Weavers' Lines ..	8
5	Paduvarahalli Extension ..	1
6	Krishnaraja Mohalla ..	6
	Total	129

Two hundred and fifteen sites were sold during 1944-45 for a total sum of Rs 4,68,062/- including instalments etc., due in the year in respect of sites sold during the previous years A sum of Rs 4,63,441-4-7 was actually realized during the year.

Inspite of a number of Extensions having been already formed and fresh sites laid out in suitable areas, the number of good and cheap houses in healthy localities has been found to be quite insufficient. In order to avoid this sort of congestion further lay out of extensions in healthy localities was taken up as noted below:-

(i) Paduvarahalli Extension:- 250 sites have till now been formed during 1945-46 (up to middle of October 1945) and also sold Another 200 sites are being formed The sites are laid out in the extensive area of the land lying vacant to the south of Vontikoppal Extension, and west of Paduvarahalli Village, bounded by Yelwal Road on the south The survey lands necessary were taken possession of from the Revenue Department in March 1944 and the work of demarcating the further sites, earthwork for forming roads and drains are still under progress. The estimated cost of the lay-out of this extension is Rs.3,80,00 The outlay incurred to end of June 1945 is Rs.57,866/-

(ii) Yadavagiri Extensions:- In addition to 60 sites formed in this extension during 1937-38, seventy three more sites were formed during 1945-46 and all those sites have also been sold out About 30 more sites are under formation. The estimated cost of this scheme is Rs 3,00,000/- against which Rs 1,05,954/- has been spent to end of 1944-45 A sum of Rs.2,14,488-8-0 is received from the sale of sites in this extension.

(iii) New Industrial Suburb near Mysore South Railway Station:- As already stated in the previous year's report the area to the east of Mysore South Railway Station has been selected and surveys have been completed Mr Krumbiegal had been addressed to send a correct lay out of the industrial suburbs. The matter has been under correspondence

(iv) New Bannimantap Extension:- The lay out plan proposed by Mr G H Krumbiegal, the Consulting Architect has been approved by the Board Thirty three sites were formed during 1944-45 and out of this 27 sites were sold during the year and the realisation is Rs 95,306-10-8

The expenditure incurred on this extension to end of June 1945 is Rs 27,648/- against the total estimate of Rs.192000

About 92 more sites are being formed during 1945-46 and sold

24 Resumption of sites:

Four sites were resumed during the year as follows:-

1	Chamundi extension	1
2	Industrial Suburbs	1
3	Mysore-Hunsur Road	1
4	Vyasarasamy Mutt compound	1

As stated in the last year's report, it has been found necessary to show some relaxation in rules in case of failure on the part of purchasers to put up buildings as per approved plans owing to the difficult conditions created by War, as the cost of building materials have gone up enormously, to enable the poor persons to put up the buildings within the prescribed period

25 Bits of land

Statement No VII furnishes details of bits of land available, newly formed and sold, with the amount of revenue from. In addition to 151 bits of land available for the beginning of the year, 19 new bits were formed year and out of the total of 170 bits 26 bits were

sold for a total sum of Rs.5,183-6-8. At the end of the year 144 bits were available for sale The amount outstanding in respect of bits of land sold at the end of the year was Rs268-4-11 This is being recovered in instalments.

26. The outstanding in respect of model houses in the extensions as at end of June 1945 are given below:-

(i)	Gokulam houses	Rs	2,746	3 2
(ii)	Value of sites and model houses sold:-			
	(a) Building sites.		23,115	11 3
	(b) Bits of land		208	4 11
	(c) Model Houses		9,096	13 0
(iii)	Value of old materials		880	5 7
(iv)	Loans granted for construction of houses		90	0 0
	Total	Rs	36,197	5 11

Regarding Item No (iv), it is to be mentioned that this is a very long standing item and that the whereabouts of the parties are not available Action is therefore being taken to write off this item.

27. By the sale of dismantled materials a sum of Rs 8,668/- was realized during the year A sum of Rs.199-6-0 was also realized by the sale of right of removing the usufruct of trees belonging to the Trust Board

28. The following free gifts of land were made during the year for the several institutions for the purposes noted below:-

(a) One site for the construction of Durga Temple in Jalapuri for Adijambava community as per Board's resolution No 41 dated 26-7-1944.

(b) One site measuring 2446 sq yds., in Paduvarahalli extension, for the construction of Yethiraj Mutt as per Boards resolution No.103 dated 30-8-44.

(c) One site measuring 76' x 130' on the western side of Doppinakola Street to Dr. S Siddappa for the construction of a temple as per Board's resolution No 26 dated 29-11-1944

(d) Site No 1 measuring 55' x 50' in Krishnaraj Mohalla, to the Lesters for enclosing the Temple as per Board's resolution No 333 dated 29-11-1944

(e) Site No 1 measuring 32' x 48' or 170 2/3 sq yds., near Kantaraj Urs Park, Lashkar Mohalla, for the construction of an Ashur Khana as per Board's resolution No 251 dated 19-11-1944.

(f) Site measuring 160' x 300' in Chamaraj Mohalla to

to Sargeshta Setna Chowdiah for the construction of a Music College as per Board's Resolution No 257 dated 20-1-1941.

(f) Site measuring 2096 sq yds , for building a dispensary for public use and permission to use free of cost 5 No 1818 Government Karab 11103sq yds., valley portion 5862 sq yds , for playground and swimming pond and gymnasium in Yadhavagiri Extension to Sri Ramakrishna Ashrama as per Board's resolution No 333 dated 31-1-1945

(g) One site measuring 60' x 80' to Akkanabalaga and one site measuring 80' x 60' to Makkalakoota and one site measuring 80' x 60' to Krishnalalithakala Mandira as per Board's Resolution No 409 dated 28-3-1945 in the Koppinakatti layout

(i) Site measuring $\frac{46 + 47}{2}$ x $\frac{237 + 231}{2}$ near low level Reservoir to Mysore Engineer's Association, Local Branch, Mysore, for the Association building as per Board's Resolution No 421 dated 26-3-1945

(j) Site Nos 130,131,140 and 141 in the new lay out of Rajput Block to the Honorary Secretary, Rajput Upakarini Provincial Maharabha, for Rajaput Orphanage as per Board's Resolution No 461 dated 25-4-1945

(k) One site measuring 35' x 50' to Mrs Narasamma in Madars' Block for the construction of Bhadralingeswaraswamy Temple as per Board's Resolution No.475 dated 25-4-1945

(l) A bit of land measuring 16 3/4' x 240' to Vyasarayaswami Mutt in Chamaraj Mohalla as per Trust Board Resolution No 469 dated 27-6-1945

(m) Site measuring 137½ x 150' in Krishnarajavanam for the construction of the Branch of Puthur Veerasimhasan Mutt to Shivarathrirajendra Swamigal, as per Board's resolution No 485 dated 27-6-1945

PART II

20 The grant given by the Government to the Trust Board was Rs.2,50,000/-

Statement No.VIII furnishes details of Receipts and Expenditure under several heads. The year opened with an opening balance of Rs.1,92,045/- The receipts from all sources including those under suspense heads, and Narasimharaja and Palace Building Funds amounted to Rs 9,89,532/-, thus making a total of Rs 11,21,577/- The total expenditure under all heads amounted to Rs.8,64,545/- leaving a balance of Rs.1,57,032/-.

30. House Building Loans:

Statement No.X furnishes details of outstandings under this head. No fresh loans were granted during the year under

under report As already stated in para 26 above, the sum of Rs.90/- is due from 2 persons One of them is reported to be dead and the whereabouts of the other party is not exactly known Action is being taken to write off this amount

31. House Building advances:

No advances were made during the year Statement No XI furnishes details of advances granted and recoveries effected during the year The balance at end of the year was nil

32 The establishment charges viz , salaries and allowances, including pension and contingent charges etc., amounted to Rs.31,280/- as against Rs.28,267/- during 1943-44 The increase during 1944-45 is due to the following:-

(a) Enhancement of Dearness Allowance
(b) Entertainment of Lorry establishment, consisting of one driver and one cleaner.
(c) Work charged establishment in connection with dismantling the acquired properties and watching the released materials till they are disposed of

Both the Office and Executive Staff continued to work satisfactorily

GENERAL

A Improving Roads and Circles:-

M.Krishna Raj Circle:- The stately building put up by Mr Nanjundappa in keeping with the elevation of the Vanivilas Market in the south-east quadrant is now practically completed Mr Kanti Mallanna has completed the construction of a Bus Shelter of the approved design in the open space in front of Kailas Vihar In the previous year's report it had been stated that the Mission School buildings and other ugly looking properties near Kailas Vihar would be acquired But the Board have since resolved to permit the owners of the above properties to put buildings of their own, according to the approved plan and the work is under progress When this building is completed, the Circle will be one of the beautiful spots in Mysore.

Messrs M.S.Siddappa & Bros., who had paid a sum of Rs.2,000

Rs.2,000/- on account of their building having been brought to prominence by the formation of the above Circle, had been permitted to open shops facing the circle after dismantling the front portion of their present building and reconstructing it as per approved plan. They have not so far done xxx so After this is done, the circle will further improve

B Squared in front of Motilal Talkies:

The sequisitions in respect of this work is still in several stages of progress Award of compensation has been made in respect of one property With regard to other properties, awards will be passed in course of this year and the question of disposal of the acquired area for the construction of imposing buildings will be taken up afterwards.

C. New Pantepet and filling up of Purniah's Nala:

The area in front of New Pantepet was further improved during the year by sectioning the channel and forming the bed Further, the work of filling up of the Purniah Nala by street rubbish was continued as usual The irregular and unsightly sides of the Nala in front of and beyond the Deaf and Dumb Institute was cut and formed neatly.

D. New Bamboo Bazaar:

Most of the buildings in this area having been completed the merchants of the Old Bamboo bazaar have all shifted to the new place and are carrying on their business But, as already explained in the last year's report the Procession Route has now been made to pass via New Bamboo Bazaar and hence it is found undesirable to allow the continuance of these Bamboo and Timber Shops alongside the road It is therefore proposed to lay out a new Industrial Suburb in Mysore South and shift the New Bamboo Bazaar to the above place. Surveys of the new area have been completed and a detail contour plan has been prepared and xxx sent to the Consulting Architect Mr Krumbiegal for giving a lay out On receipt of this lay out and after

after completing necessary formalities, further action will be taken to shift the New Berboo Bazaar This will not involve any additional cost to the Trust Board as the full amount spent on acquisition of these properties can be realised by auctioning the acquired area for construction of suitable buildings befitting the Procession Route

E Formation of a through road to Yadavagiri Extension:

Much progress could not be made in the above work during the year for want of funds The road has been formed from Yadavagiri main road up to the Railway Level Crossing on one side and from Kurnish Nala to the New Procession Route, on the other The culvert across the Kurnian Nala is also completed except for filling on top to the level necessary for linking the above two bits When the road is completed, it will afford a very shot cut to Yadavagir and Vanivilaspuram Extensions

F Forming New Dhanvantri Road to the south of K.R.Hospital Compound

The old road which was connecting Wayaji Rao Road and Chamundeswari Road was very narrow and passing through slums With the acquisition of all these dirty and dilapidated properties and extension of the K R Hospital compound, the old road with an additional extent of land as required was added on to the Hospital compound and the new road has been formed for 30' width with 10' foot-paths on either side The cro drainage works on this road are in progress and will be completed during 1945-46 Further, a row of decent shop sites are proposed along this road and already a few shops are being constructed by private agency When all the shops and other Works are completed, this New Dhanvantri Road will be one the best thoroughfares in the City besides being a decent bazaar

G Forming Road between Seshadri Iyer's and Viceroy Roads

This road was further widened and levelling to the

the full length completed during the year when the New Dhanvantri Road behind K R Hospital is also completed, the above road will be very useful for through traffic from Sayaji Rao Road to Princess Road passing below the Railway Underbridge Curbing to the road was taken up and will be completed during 1945-46

H Improvements to New Lansdowne Procession route:

The Procession Route during the Dasara of 1944 having been changed to pass through Sayaji Rao Road in continuation of its junction with Irwin Road and passing beyond the Bus Terminus and the Institute for Defectives and running in front of New Bamboo Bazaar, on to Lansdowne tap, all the urgent improvements were completed well in time Those consisted of metalling the sides of the road, forming circles and New Band stand with a garden encircling it, forming and curbing foot-paths and last but not least cutting and forming the high mound on the right side of the road beyond the Municipal Choultry, into a series of steps so as to serve as a gallery to accommodate over 4000 spectators to witness the Procession and at the same time improve the appearance of the road The above works were carried out out of the special grant of Rs 40,000/- sanctioned by Government in the first instance

In addition to the above urgent works, Government were approached for sanctioning a further special grant of Rs 86,000 for completing certain permanent improvements such as concreting the foot-paths and gallery, constructing a permanent Band-stand in reinforced concrete, planting/~~flattering~~ of avenues on either side and a few other works Government however, in their Order No L 6801-3/41 39-44- 9 dated 9th January 1945 sanctioned a further grant of only Rs 47,000/- deleting the item of concreting the foot-paths Accordingly, the works sanctioned were taken up and the construction of a new R C C Band-stand was nearing completion

As regards concreting of the gallery mentioned above,

above, it was subsequently found desirable to use nicely dressed Doddaballapur stone slabs instead of cement concrete as the former would look more elegant and at the same time be more lasting Accordingly, the construction of a stone gallery was taken up Further, the erection of ornamental reinforced cement concrete tree guards round avenue plants included in the programme of permanent improvements, was also started during the year

With the completion of the above remaining works during 1945-46, the new Procession Route will be an ideal and picturesque highway in the City of Mysore and the band-stand within garden a beauty spot which is already proving attractive as a place of recreation.

I Apart from the above, a number of miscellaneous works was taken up by the Board to improve the sanitation and beauty of the City The maintenance of the Doddakere contour channel was continued as usual and filling up pits and prevention of stagnation whenever they existed was done The widening of Viceroy/and Road between Ramavilas Road and Venkatakrishnaiah road which was a long felt need was taken up during the year The Bannimantap loop road was also widened from its junction with the old Bangalore-Mysore-Road up to the turning to Bannimantap The approach road to Kyathamanahalli was improved by widening construction of a culvert across the feeder channel to Karanji tank The triangular plot of land to the south west of the Railway level-crossing near City Railway Station by the side of the new road passing below the underbridge was cut and formed into neat terraces for being converted into a park

J. Block Plan Surveys of Mysore City:

The resurvey of 99 old blocks of the City and 39 new blocks of extensions was all completed during 1943-44 including the preparation of up-to-date contour maps of the City of Mysore For getting these contour maps printed, the Board approved an

an estimate for Rs 2,700/- at their Meeting held on 23th March 1945 and sanction of Government was also received in their Order No L 11220-2/M1.12-44-14 dated 21st May 1945 The contour maps have since been sent to the Press for being printed and they will be ready during 1945-46

(K) Resume of Works:

The drafting of the main report and preparation of necessary plans and drainage of the several types of model house and other improvements works were all completed during 1944-45 The report is however under further scrutiny by the Trust - Board Engineer and will be submitted to Government immediately on receipt from him with all the connected plans

Special Schemes:

(1) Formation of a straight road from Elgin Fountain to District Offices:- As already explained in the report of 1943-44, this scheme is intended to open up one of the worst slum areas of the City and to provide a much needed and beautiful thoroughfare and bazaar in the centre of the town In accordance with the rules of inspection by the Dewan and Minister for Local Self Government and Public Health on 19th November 1944 and received with the Law Secretary's No L 1046 dated 8th April 1944 that the scheme may be prepared for execution in four stages, the Board resolved at their Meeting held on 26th April 1944 that Government be requested to sanction the entertainment of a special establishment consisting of a Sub Engineer and necessary staff for surveying and preparing plans and estimates together with acquisition statements Sanction of Government was also received for the above in their Order No L 12160-3/M1 12-43-22 dated 6th June 1944 The work was actually started from September 1944, the necessary staff reported for duty during the last week of August 1944 The entire length from Elgin Fountain to Wroy Road was divided into four stages, the 1st and 2nd stage being from Elgin Fountain to Kanumiah Road including Ibn

formation of circle the 3rd from Irwurish road to Chamundeswari road and the 4th from Chamundeswari road to Viceroy road Preliminary estimates of the 1st & 2nd stages of acquisition based on plinth area were made and approved by the Board before December 1944 These estimates were based on the original position of the Statue as fixed by Mr Krumbiegal Subsequently however, the position of the Statue was shifted more towards west as finally settled by the Chief Engineer for Roads and Buildings and the Government Architect so as to be in keeping with the surrounding roads and the Statue of His late Highness Sri Chamaraja Wodiyar Consequent on this slight shift of the new Statue position, further properties were involved in the first two stages of acquisition and these were also inspected and approved by the Chief Engineer for Roads and Buildings during his inspection in March 1945 The acquisition of these further properties was also approved by the Board during April 1945 Before the close of the official year, all the properties coming in the 1st two stages of acquisition and estimated at nearly Rs.2,90,000/- were duly notified for acquisition in the Mysore Gazette During the year 1945-46, further acquisition proceedings of the above properties and the preparation of estimates and preliminary notifications of the properties coming in the 3rd and 4th stages of acquisition will be taken up, and completed.

This scheme is worked out to be self-supporting as the amount spent on acquisitions etc , can be realised by sale of shop sites that can be formed in the area To start with however, Government were addressed to advance funds in the first instance and to be recouped after the sites are formed and sold. Accordingly Government have recently sanctioned an advance of Rs 1,50,000/- for this purpose.

(2) Two more important schemes are under consideration of the Board Firstly, the Amesorate road to U

west of Devaraja Market has been an eye sore being a dirty and insanitary locality Though the improvement of the locality has long been under contemplation, no progress could be made owing to the limitted Government grants given to the Board However, this is an important scheme involving slum clearance work in a prominent locality and will be taken up early as funds permit

(3) The work equally important scheme of improvement in the City is what is known as the Mekkaji Chowk acquisition This consists of old and unsightly properties in the form of a triangle situated to the east of Sayaji Rao Road just beyond Curzon Gates and to the north of Sivarampet Road leading towards Gandhi Square The acquisition of these properties has been approved by the Board and the properties ~~xxxxxxx~~ are also notified in the Mysore Gazette Further acquisition proceedings are being persued As this is a costly scheme special funds are necessary for the purpose

It was stated in the last year's report that the receipts and expenditure of the Board during that year was a record for the last 25 years. But the figures during the year under review has far exceeded those during last year, the actual receipts and expenditure being Rs.11,21,577/- and Rs 8,64,545/- respectively and leaving a closing balance of Rs 2,57,032/- This is due to the very good prices secured for sites in Yadavagiri, New Bannimantap and Paduvarahalli Extensions.

The activities of the Board during the year in the matter of providing civic amenetie to the public and thereby improving the health and sanitation of the City were continued in a greater measure than usual With the record income derived from sale of sites in the newly formed extensions, it is expected that all amenetie would be provided

provided in these respective extensions are long

CONCLUSION.

The work of the Board continued to be satisfactory. Grateful thanks are due to the Members of the Board for their co-operation and help at every stage of the development and execution of several schemes.

Chairman.

Proceedings of the Government of
His Highness the Maharaja of Mysore

----- 0 -----

R e a d -

Letter No A1 C 59/45-46 dated the 16th January 1946 from the Chairman City Improvement Trust Board, Mysore forwarding the report on the working of the Board for the year 1944-45

Order No ∠ 9091-7/MI 115-45-8
Dated Bangalore, 8 February 1946

R e c o r d e d

2 Constitution - The Board was reconstituted for a period of two years, from the 15th April 1945 As in previous years, the Board consisted of the Chairman and eight members, of whom two were elected by the Mysore City Municipal Council, three were ex-officio and the rest were nominated by the Government Mr R Ramachandra Rao Bhombore continued to be the Chairman of the Board during the year

3 Meetings - The Board held twelve ordinary meetings, one special meeting and one adjourned meeting The average attendance at the meeting was 11 7 as against 69 2 during the year 1945-44

4 The receipts during the year including

including the opening balance and the state grant of Rs ~~1,40,000/-~~ amounted to Rs 11,21,577 The expenditure under all heads, as detailed below amounted to Rs 8,04,545/-, leaving a closing balance of Rs 2,57,032/-

(1)	Acquisition of properties	Rs 2 55,845/-
(2)	Construction of drains and other works	Rs 1,04,198/-
(3)	Repayment of loans and contributions	
(4)	Establishment charges	61,250/-
(5)	Miscellaneous charges	5,095/-
(6)	Suspense accounts	2,58,570/-
(7)		14 784/-
(8)	Lay outs - Building funds	1,55 802/-

Acquisition - 23 schemes relating to acquisition of properties were sanctioned The number of properties acquired during the year was 97 and a sum of Rs 2,55 218 77 was paid as compensation towards the acquisition of properties in addition to a sum of Rs 74,977/- paid out of the contribution deposits The amount awarded is the highest ~~figure~~ ~~received~~ during the past six years Special attention was paid to the completion of the incomplete works which were in various stages of disposal Out of 9 cases of acquisition of agricultural lands referred to the Revenue Department, only two cases were disposed of during the year, leaving Seven Cases still pending The Deputy Commissioner, Mysore District is requested to see that the pending cases are disposed

disposed of quickly ~~160 properties were declared for acquisition, and 97 properties were acquired under the provisions of the Mysore Land Requisition Act.~~ There was no case of acquisition by mutual agreement during the year

Construction works - One hundred and thirty nine works were in progress during the year Out of this, 78 were incomplete works of the previous year and the rest were fresh works The construction of 16 model houses with terraced roofing along the Kalanuja Road is almost completed The construction of 20 model houses at a cost of Rs 17,500/- for the use of the sweepers of the Municipality in Jalapuri Extension, out of the Narasimharaja Building Fund is under progress

Only 76 underground sewage house connections were given during the year, as against 104 during the previous year Only half of the area of the City has been sewered so far A rough scheme costing ~~about Rs. 6,00,000/-~~ about six lakhs of rupees has been prepared for providing underground drainage to all the unsewered areas of the City Detailed working estimates are under preparation

Special Schemes - The formation of a straight road from the Elgin Fountain to the District Offices is intended to open out one of the worst slum areas of the City and to provide a much needed and a beautiful thoroughfare and Bazaar in the centre of the City. It is proposed to take up the work in four stages. All the properties included in the first two stages of acquisition and estimated to cost Rs 2,90,000/- (nearly) were duly notified for acquisition. This scheme is expected to be self-supporting and the Government have sanctioned an advance of Rs 1,50,000/ to the Board, to be recouped after the sites are formed and sold. Two more important schemes, i.e., (1) formation of the Ganesarote Road to the west of the Devaraja Market, (2) and Lakkaji Chowk acquisition are under consideration.

General - 215 sites were sold during the year for a total sum of Rs 4,68,068/- Further lay-out of sites in the Kaduvarahalli, Yadavagiri and New Parliamentap extensions was taken up during the year. Sites were given free to 13 religious and educational institutions. The lay-out of the New Industrial suburb near the Mysore South Railway Station and the shifting of the Bamboo Bazaar thereto are under examination. Acquisition work in respect of properties in front of Motilal Talkies is under progress. The area in front of New Santhepet was further improved and the irregular and unsightly

unsightly sides of the Purnian vala were cut and formed neatly ~~the shifting of re-~~ ~~canbee bazaar to the new industrial ... the~~ ~~... consideration~~ the road between Seshadri Iyer's and Viceroy Roads was further widened and metalled to the full length All the urgent improvements required for the new Dasara Procession Route were completed The result of works done by the Board for the last 40 years has been completed ~~... the cost of ... the land is ...~~

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

R e a d :

Letter No./L...33/45-46 dated the 19th January 1946 from the Chairman, City Improvement Trust Board, Mysore, forwarding the report on the working of the Board for the year 1944-45

ORDER No. L.9091-7/Mul 115 45-8
8.8.46

MYSORE, DATED THE 8TH AUGUST 1946

R e a d o r d e r

1. Constitution. The Board was reconstituted for a period of two years, from the 13th April 1945. As in previous years, the Board consisted of the Chairman and eight members, of whom two were elected by the Mysore City Municipal Council, three were ex-officio and the rest were nominated by the Government. Mr. P. Ramachandra Rao Director continued to be the Chairman of the Board during the year.

2. Meetings. The Board held twelve ordinary meetings, one special meeting and one adjourned meeting. The average attendance at the meeting was 77.7 as against 73.2 during the year 1944-45.

3. The receipts during the year including the opening balance and the State grant of Rs.1,71,000/- amounted to Rs.1,91,577/-. The expenditure under all the heads, as detailed below amounted to Rs.64,540/- leaving a closing balance of Rs.2,27,037/-.

(1) Acquisition of properties	..	Rs.2,35,843/-
(2) Construction of drains and other works		1,28,193/-
(3) Repayment of loans and contributions		———
(4) Establishment charges	..	31,254/-
(5) Miscellaneous charges	..	6,209/-
(6) Bank cross accounts	..	2,53,570/-
(7) Rent under Palace Buildings Trust	..	14,703/-
(8) Lay outs - Salvage yards	..	1,53,852/-

4. Acquisition - 23 schemes relating to acquisition of properties were sanctioned. The number of properties acquired during the year was 27, and a sum of Rs.2,35,213/- was paid as compensation towards the acquisition of properties in addition to a sum of Rs.74,577/- paid out of the contributory deposits. The amount awarded is the highest during the past six years. Special attention was paid to the completion of the incomplete works which are in various stages of disposal. Out of 9 cases of acquisition

of acquisition of agricultural lands referred to the Revenue Department, only two cases were disposed of during the year, leaving seven cases still pending. The Deputy Commissioner, Mysore District, is requested to see that the remaining cases are disposed of quickly. There was no case of acquisition by mutual agreement during the year.

Reconstruction works. One hundred and thirty nine works were in progress during the year. Out of this, 72 were incomplete works of the previous year and the rest were fresh works. The construction of 12 model houses with terraced roofing along the Sayaji Rao Road is almost complete. The construction of 8 model houses at a cost of Rs.17,800/- for the use of the sweepers of the Municipality in Jaganmohan Extension, out of the Maharajendra Building Fund is under progress.

Only 77 underground sewage house connections were given during the year as against 164 during the previous year. Only half of the area of the city has been covered so far. A rough scheme costing about six lakhs of rupees has been prepared for providing underground drains to all the uncovered areas of the city. Detailed working estimates are under preparation.

7 Special schemes: The formation of a straight road from the Elgin Fountain to the District Offices is intended to open out, one of the worst slum areas of the City and to provide a much needed and a beautiful Borough Offices and Bazaar in the centre of the City. It is proposed to take up the work in four stages. All the properties included in the first two stages of acquisition and estimated to cost Rs.2,00,000/-(nearly) are duly notified for acquisition. This scheme is expected to be self-supporting and the Government have sanctioned an advance of Rs.1,50,000/- which is to be recouped after the sites are formed and sold. Two important schemes i.e., (1) formation of the Annarote Road to the west of Devarajam Market, (2) and Bakkaji Chowk acquisition are under consideration.

Layout. 215 sites were sold during the year for a total sum of Rs.[illegible]/-. Further lay-out of sites in the Vaddaravahalli, Yadavagiri Extension Scheme was taken up during the year. Sites were reserved for 13 religious and educational institutions. The lay-out of the Industrial Suburb near the Mysore South Railway Station and the allotment of the Lumbini Bazaar thereto are under examination. Additio

Acquisition work in respect of properties in front of Astika Talkies is under progress. The area in front of Low Canthopet was further improved and the irregular and unsightly sides of the furnish Nala were cut and formed neatly. The road between Venkatadri Iyer's and Viceroy roads was further widened and metalled to the full length. All the urgent improvements required for the New Dannimantap procession route were completed. The resume of works done by the Board for the last 40 years has been completed.
